## Consolidating the information from my week

- ❖ *You will need to write down your weekly revenue so that you know how your company is doing*
- ❖ *Use the tables below to fill in a summary of your daily revenue and expenses*

**Table 1:**

Route #	Origin	Destination	Cash Revenue	Coupon Revenue	Subsidy Revenue	Total Revenue

- ❖ *List your expenses for the week in the right hand column and write in the totals for each day...*

**Table 2:**

Expenses	Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7

- ⊙ Check that your total income – your total expenses = the balance you brought forward at the end of Day 7 in your daily balance sheet
- ⊙ Remember to include your weekly wages as an expense!
